Professional Barber Hair Cutting/Thinning Scissors

Made with J2 grade Japanese Standards Stainless Steel with long lasting Titanium Plasma Gold Coating.
7 inches Razor Edge Professional Barber Hair Cutting Scissors easy to hold ergonomic grip with muffler design to reduce the metallic noise & friction, adjustable screw to adjust the tightness of the scissors, removeable rubber rings for easy grip.

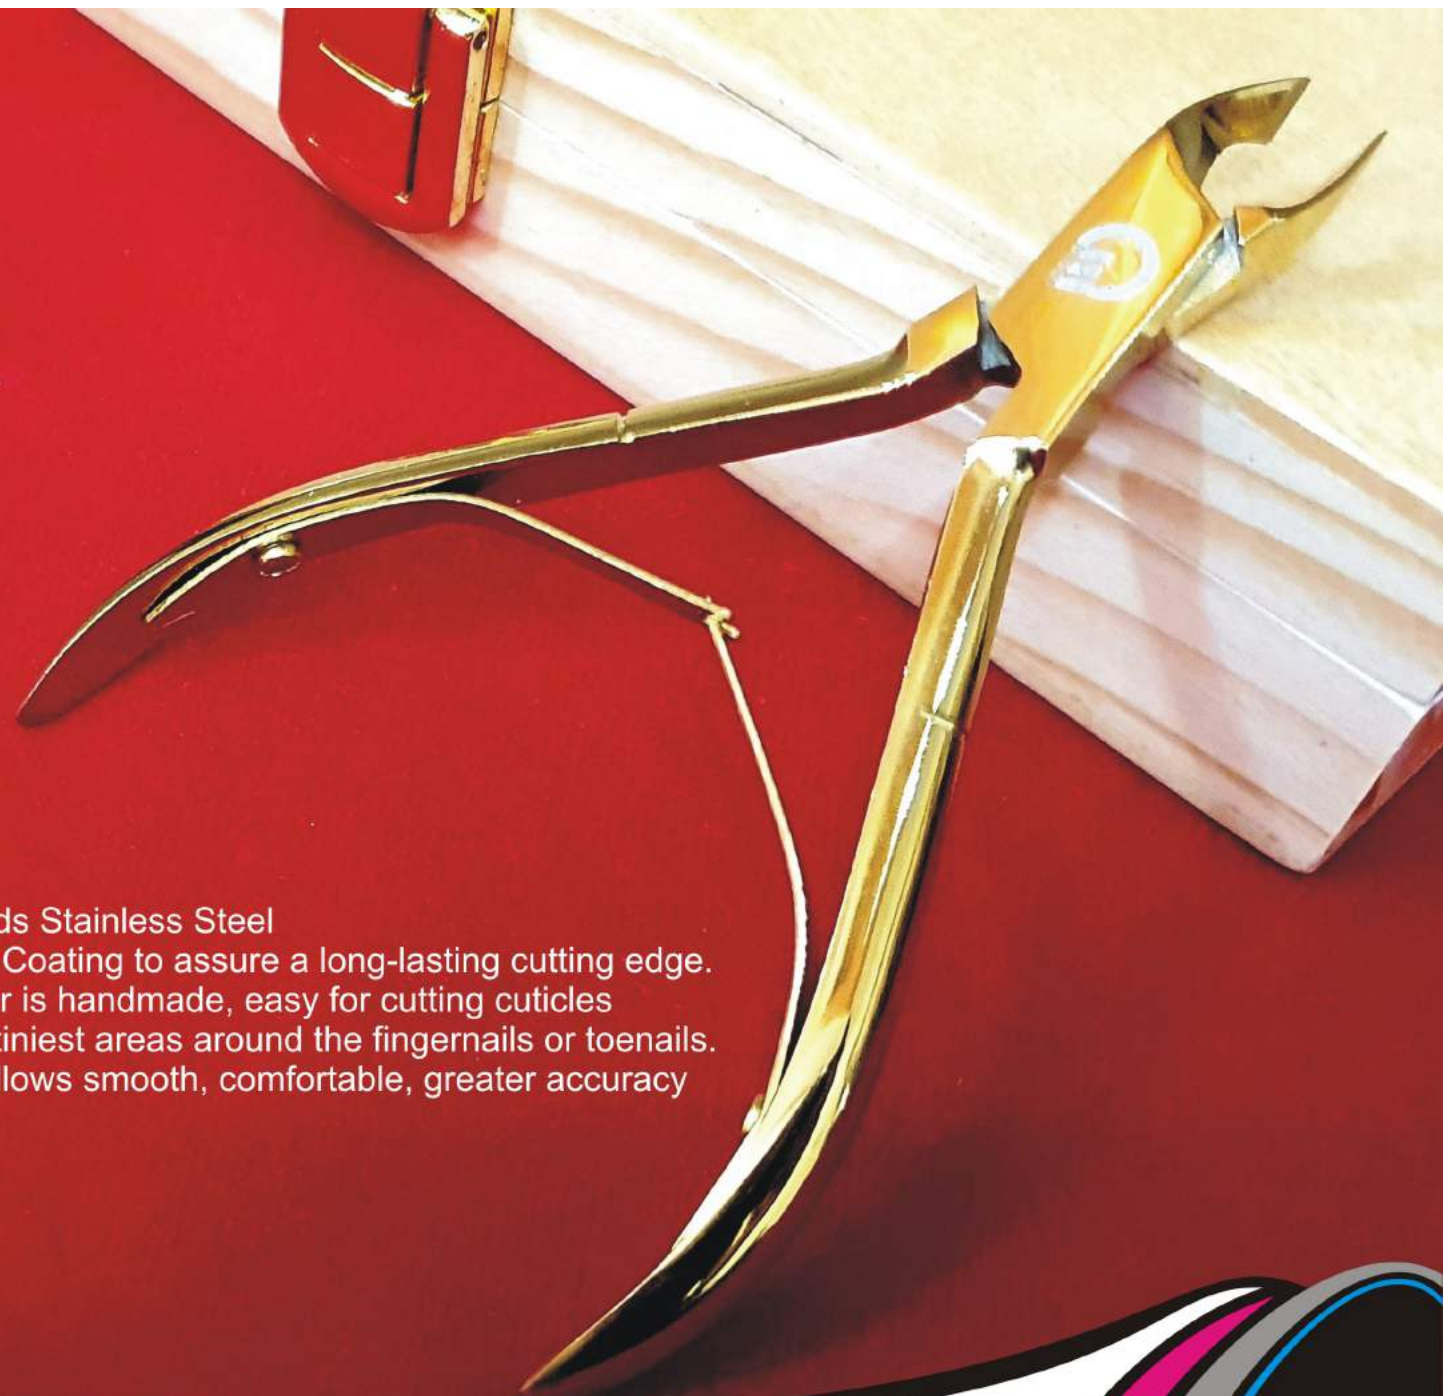

Shaving Razors

Made with J1 grade Japanese Standards Stainless Steel with long lasting Titanium Plasma Gold Coating. Smooth Handle that helps prevent the razor from rusting and offer a comfortable grip minimizes Cuts. For Barbershop and Personal Usage, also a great option for beginners. Flippable blade lock like other shavettes that allows for quick and easy blade changes.

Nail Clippers

The Fingernail and Toenail Clippers are packed together for added convenience, both clippers represent the ultimate in quality and performance. Blades with a curved edge provide excellent accuracy and won't tear or rip nails. Both premium quality clippers feature sharp, strong Carbon steel with long lasting Titanium Plasma Gold Coating cutting edges for precise cuts and sturdy use.

Cuticle Nippers

Made of 420b grade American Standards Stainless Steel with long lasting Titanium Plasma Gold Coating to assure a long-lasting cutting edge. Professional 5mm jaw size cuticle cutter is handmade, easy for cutting cuticles and dead skin even can remove in the tiniest areas around the fingernails or toenails. Premium quality double action spring allows smooth, comfortable, greater accuracy and easy cutting action.

Nail scissors

Made with 420 grade American Standards Stainless Steel with long lasting Titanium Plasma Gold Coating.

These scissors open wide to accommodate all nail thicknesses and their sharp blades leave edges smooth.

The curved blades follow the shape of the fingernail and can be used to quickly trim with long cuts or provide maximum precision with shorter cuts.

Suitable for both Artificial and Natural nails.

Nail File

Made with J1 grade Japanese Standards Stainless Steel with long lasting Titanium Plasma Gold Coating. This tool packs a lot of smoothing power into a small package. At only 4.5 inches long, this compact file is easy to store and ideal for travel. It features a durable, metal surface and long-lasting, double-sided grit to quickly and gently shape natural snag-free fingernails and toenails.

Eyebrow Tweezers

Made with J1 grade Japanese Standards Stainless Steel with long lasting Titanium Plasma Gold Coating. 25 Degree angle Slanted/Straight tip is the perfect angle for working against the brow bone. Grabs every hair, every time: perfectly aligned, hand-filed tips close evenly and firmly to remove hair from the root. Superior calibrated tension for comfort, Control, and true precision.

Double-Ended Blackhead Removers

Made with 410 grade American Standards Stainless Steel with long lasting Titanium Plasma Gold Coating.

Safely get rid of troublesome blackheads and whiteheads with this handy skincare tool.

Use the end with a hole to remove Blackheads and the loop end for removing Whiteheads.

Hair Clips

Fashion Alligator Metal Hair Clips
Salon Barber Hairdressing Cutting Section Grip
Clamps Claw Makeup Tool with long lasting
Titanium Plasma Gold Coating.
3.5 inches Length Great for making
hair bows and other hair style accessories,
great for Salon or home use.

Plastic Hair Comb

Made with Polypropylene 8 inches long
556 style plastic comb is perfect for everyday hair styling,
the rounded teeth ensures styling that is gentle on the
hair and scalp. The high-quality material is
particularly flexible and break-proof.

Paraffin Lubricating Oil

Crystal Clear Paraffin Lubricating Oil packed in glass bottle.

Using liquid Paraffin is very safe, it does not produce any negative effects on the skin, and there is little to no penetration into the skin, in case it touches your skin while lubricating your tools.

Cotton Gloves & Cloth

Cotton Gloves for safety use and piece of cotton cloth for tools cleaning included in each Kit and also available separately.
